

UK Adult ITP Registry

Thanks for your interest in taking part in the UK Adult ITP Registry. The process for obtaining local LREC approval is very straightforward.

There are 9 documents, most of which are in Word and PDF format.

1. *Thank you letter*
2. *Information page for clinicians*
3. *Copy of the full MREC submission which gives background information*
4. *The London MREC Approval letter which you will need to submit to your LREC (full details are provided)*
5. *Patient information sheet*
6. *Consent form*
7. *Patient proforma (short, and very easy to complete)*
8. *Letter to other consultants/GPs letting them know the patient is taking part*
9. *Avery labels with my address on for sending the blood samples*

If there are any problems please let me know. You can call me (020-7377-7178) or e-mail (a.b.provan@qmul.ac.uk).

Once again, many thanks for your help. I look forward to registering your patients once your LREC has approved the MREC.

Best wishes

Drew
